KATZEN-JAPAN TOUR!

The undergrad Katz had a blast in Japan! We performed at the **Tokyo American Club**, enjoyed an evening with the **Princeton Club of Japan**, and sang at **St. Alban's by St. Andrew's Anglican-Episcopal Church**. We also hiked Mt. Takao and toured Yokohama and Kamakura, among other places. Huge thank you to all alumni that supported us financially or logistically during this trip!

Here are a few highlights from tour. Check out our **Instagram** for more.

Katzengrams, oh my!

Thank you to everyone who has generously pledged and donated through the Katzengram form! We raised a total of **$3677** this past semester, and we are incredibly grateful for all your support! All previously pledged Katzengram videos have been sent. If you received a video or filled out a pledge but have not yet donated, please check your inbox or text message for instructions to do so. If you don't remember if you've donated, please don't hesitate to reach out to Christine A'25 at cc2251@princeton.edu.

New Music in the Works

Stay tuned for some exciting new Katzentunes, to be debuted this coming semester at our Arches and our **upcoming collaborative concert with the Nassoons and Tigerlillies** (date and location TBD)!
